

St. Haralambos Aristotle Greek School G.S.L. Program

**A big THANK YOU to our volunteers for the year 2009-2010
You made a difference and we greatly appreciate your help.**

We are excited about our computer lab and the program we are making revisions for our GSL next year. The support of our PTA is more important than ever! It is now time to put together our P.T.A. committees for the next school year. Please consider working with us to help make our school year a success. Absolutely no prior experience is necessary! We welcome everyone's participation. This is a great way to get involved in school activities and meet other families.

Please indicate the activities that you would like to work on and return this form to school as soon as possible.
